OUR OBJECTIVE

Our main objective is to help by exploring the advance technology of stainless steel & glass decoration works towards the modernization in the millennium era of our beloved country United Arab Emirates under the patronage of His Highness Shiekh Khalifa Bin Zayed Al Nahyan (God Bless Him), as well as to continue the visions of our great late father His Highness Shiekh Zayed Bin Sultan Al Nahyan (May God rest his soul in peace), the architect of developing modern United Arab Emirates

BANIYAS Aluminum & Steel

We Build Trust... Quality, Security & Beauty

INTRODUCTION

Baniyas Steel & Aluminum Company was established under ownership of Mr. Subhi Hegge in 1989 in the heart of Abu Dhabi Mussafah Industrial Area as a small establishment. The company yet with a modest and humble start has progress over the years expanding its works, through its dedicated technical team who successfully implemented the latest technology with comprehensive understanding and now Baniya Steel & Aluminum Company is considered to be one of the best in the field of stainless & glass decor works in Abu Dhabi especially. We are proud of our new facility and would welcome your visit so we might show you more specifically how we produce the finest quality monumental stairs and glass handrails available.

OUR COMPANY

We are situated in Mussafah Abu Dhabi, United Arab Emirates, & operating through entire UAE & in other Gulf Countries with an unblemished track record.

We are a factory, which deals in everything that comes under Glass & Aluminum umbrella & works with total commitment to help turn your dreams & ideas into solid images whether it's about beautifying your home with artistically - designed stained glass patterns or manufacturing Aluminum windows & doors for a commercial complex you are constructing. We feel pleased to state that under this banner we have executed & successfully completed various projects ranging from Luxury Villas to Fabulous Shopping Malls & Housing Complexes to Educational Institutions for public & private sectors alike.

OUR STRENGTH

We have highest capacity to cope up the biggest works with regards to stainless steel & glass works. Hence, we are equipped with latest, advanced and complete set of fabrication machines which is operated under the supervision of highly professional engineers, draughtsman, designers, and technicians who belong to a mix of different nationalities with a considerable vast experiences and they are ready to take on the future and tackle with ever increasing complexities of the their jobs.

COMPANY PHILOSOPHY

We operate on trust and build long lasting relationship with our clients. Ensure cost effective services to customers with high quality products, at its scheduled completion. We tell our clients; "if you are happy with our services please tell others, otherwise tell us". We are at your services to make you happy, progressive and worth mentioning our name to others, whoever is in need of it. Our objective is to serve our client with a salute and smile.
